Revision: **FINAL** (8-month bundle freeze (RTFO-310825))

Ref. **RTFO-310825**

Submission: 21 May 2026

Evidence index — bundle RTFO-310825 (production period January-August 2025)

The table below enumerates every file in the submission bundle with its SHA-256 digest, the story that produced it, the DfT rejection point it addresses (where applicable), and its current status. Total files enumerated: **48**. The bundle is cryptographically anchored via MANIFEST.sha256 at the bundle root.
