ABOVE PARTICULARS DECLARED BY SHIPPER. CARRIER NOT RESPONSIBLE.					
ADDITIONAL CLAUSES					
4. Cargo at port is at receiver risk, expenses and responsibility					
5. FCL					
77. THC at destination payable by consignees as per line/port tariff					
194. For the purpose of the present carriage, clause 14(2) shall exclude the application of the York/Antwerp rules, 2004.					
202. Demurrage and detention payable by the Merchant as per CMA CGM tariff available on the web site www.cma-cgm.com, or in any of CMA CGM agency					
216. Mis-declaration of cargo weight endangers crew, port workers and vessels' safety. Your cargo may be weighed at any place and time of carriage and any mis-declaration will expose you to claims for all losses, expenses or damages whatsoever resulting thereof and be subject to freight surcharge.					
220. The original bills of lading need to be surrendered to the port of discharge agent even though SISCARGA has been implemented. Terminal costs which will arise for failure to produce the original bills of lading will be borne by the importer.					
225. The shipper acknowledges that the Carrier may carry the goods identified in this bill of lading on the deck of any vessel and in taking remittance of this bill of lading the Merchant (including the shipper, the consignee and the holder of the bill of lading, as the case may be) confirms his express acceptance of all the terms and conditions of this bill of lading and expressly confirms his unconditional and irrevocable consent to the possible carriage of the goods on the deck of any vessel.					
233. Notwithstanding anything to the contrary in this bill of lading Merchant is advised and agrees that according to destination country law and practice the Carrier has no control on the cargo's release once discharged. Moreover Carrier has no interference on Consignee's decision to remove the cargo from one bonded terminal to another. Cargo is delivered through terminals to Receivers. This may be done without surrendering original bills of lading to the ship agent. In such case, the Carrier will not be responsible for any claim due to delivery of cargo without original bills of lading. Thus Shipper must ensure they are paid for their cargo prior to the beginning of the voyage.					
274. The Merchant is responsible for returning any empty container, with interior clean at the designated place, and within 60 days following to the date of release, failing which the container shall be construed as lost. The Merchant shall be liable to indemnify the Carrier for any loss or expense whatsoever arising					
RECEIVED by the carrier from the shipper in apparent good order and condition (unless otherwise noted herein) the total number or quantity of Containers or other packages or units indicated above stated by the shipper to comprise the cargo specified above for transportation subject to all the terms hereof (including the terms on page one) from the place of receipt or the port of loading, whichever is applicable, to the port of discharge or the place of delivery, whichever is applicable. Delivery of the Goods will only be made on payment of all Freight and charges. On presentation of this document to the Carrier, by or on behalf of the holder, the rights and liabilities arising in accordance with the terms hereof shall (without prejudice to any rule of common law or statutes rendering them binding upon the shipper, holder and carrier) become binding in all respects between the Carrier and Holder as though the contract contained herein or evidenced hereby had been made between them.					
All claims and actions arising between the Carrier and the Merchant in relation with the contract of Carriage evidenced by this Bill of Lading shall exclusively be brought before the Tribunal de Commerce de Marseille and no other Court shall have jurisdiction with regards to any such claim or action. Notwithstanding the above, the Carrier is also entitled to bring the claim or action before the Court of the place where the defendant has his registered office.					
In witness whereof three (3) original Bills of Lading, unless otherwise stated above, have been issued, one of which being accomplished, the others to be void.
